DON'T DELAY TO PURIFY THE BLOOD. DR. WEAVER'S

CANKER AND SALT RHEUM SYRUP,
For the Cure of
Canker, Salt Rheum, Erysipelas, Scrofulous Diseases, Cutaneous Eruptions, Sore Eyes,
and every kind of Disease arising

and every kind of Disease arising from an impure state of the Blood.

The most effective Blood Purifier of the Nineteenth Century.

It is the prescription of an educated Physician, and all who are afflicted with any of the above named diseases, should use it without delay. Such letters as the following are often received.

Jeromeville, Ashland Co., Obio, Nov. 20, 1866.

Messrs. J. N. Harris & Co., Cincinnati, Ohio.

Gentlemen:—I deem it a duty as well as a pleasure, to inform you what Dr. Weaver's Syrup and Cerule has done for me, sud hops that this letter may come to the notice of persons similarly afflicted. In the year 1850 I was attacked with tetter, or some kindred disease, on both my legs, which extended until from my knees to my feet was one raw sore. I consulted and obtained medicines and prescriptions from nearly all the physicians in one raw sore. I consulted and obtained medicines and prescriptions from nearly all the physicians in this vicinity, but obtained no relief. Your agent at this place, Mr. Hoffman, recommended me to try the Syrup and Cerate, which I fertunately did, and am now a sound and well man by their use.

With great gratitude, I remain. Yours truly.

JOHN WEIRBAUGHT.

Mr. Weirbaught being a well known gentleman of Ashland, makes this information most reliable. By taking the Syrup as directed, it will drive the diseases from the system, and when once out on the skin, a few application of skin, a few application of DR. WEAVER'S CERATE, OR CINTMENT, and you have a permanent cure.

The Cerate has proved itself to be the best Oint-

The Cerate has proved itself to be the best Ointment ever invented, and where once used, it has never been known to fail of effecting a permanent cure of old sores, tetter and ring worm, scald head, chillblains and frost bites, barber's itch, chapped or cracked hands or lips, blotches or pireples on the face. And for Sore Nipples and Sore Eyes, the Cerate is the only thing required to cure. It should be kept in the house of every family.

Price of Syrup \$1. Cerate 25 cents per bottle.

What stronger proof can be produced than the following letter received, unsolicited, from Rev. W. B. Jacobs:

B. Jacobs: Newark, N. J., June 6, 1860. Messas, Perry Davis & Son-Gentlemen-Allow me, unsolicited, to send you a word of commenda-tion for your Pain Killer. I have used it in my family these several years, and found it all it claims to be. For Rheumatism, Coughs, Colds, Burns, Cholera tendencies and difficulties, as well as discases generally that prevails in families, I regard the Pain Killer as beyond all price, and as effica-cious beyond any medicine within my knowledge. We keep it as our chief family medicine, and find its use in ordinary cases worth more than any doctor. The testimony of others among my ac-quaintances and friends is equally favorable. Many clergymen have spoken of it in the highest terms as a family medicine. Missionaries in repeated instances have said to me in person and in their letters, that the Pain Killer was by far the best medicine used in heathen lands, end they use it for the macives and families, and administer it to others around them. Thus much I am inclined to say as an act

of justice to yourselves, and as a benefit to others.
You are at liberty to use this testamonial, if of any service,
